

# OFFSHORE WIND - CONTROL ROOM EMPLOYEES

This is a Skills Bootcamp course to support those identified as progressing into control room jobs.

The college has devised a tailored offshore wind programme to support the internal promotion of those working in the sector.

Delivery will be at the Energy Skills Centre, East Coast College Lowestoft Campus, as well as 1-1 mentoring.

## Aspects will include:

- Leadership and management skills
  - Working in a team
  - Handling pressure and conflict
  - Responsiveness and resilience
- Embedding emergency response plans
  - Stress management
- Practical scenarios in the simulator suite

For large employers, there is a nominal fee of £1050 per person, with the vast majority funded through the Bootcamp.

**SKILLS  
FOR LIFE**
